

2020 ANNUAL REPORT

Love Never Fails empowers all people to express and experience our best sense of humanity. We do this by restoring, educating, and protecting survivors of human trafficking and their community.

PROGRAMS

Safe Housing

Since March 2015 we have housed 148 men, women, and children.

I AM House of Restoration: Opened in March 2015, this is a survivor-centered and trauma-informed 18-month safe housing program for women survivors of human trafficking and their children. Program Members receive wraparound restorative services including case management, cognitive therapy, art & somatic therapy, abuse & addiction classes, mentoring, workforce development, legal services, and family reunification support.

I AM Youth Art House: Opened in September 2020, this is a 12-month safe housing program for survivors of human trafficking between the ages of 13 and 17. Programming includes art (painting, media, etc.), piano, voice, guitar, dance, healthy living/nutrition, and career exploration. There are multiple layers of support which include house staff, clinical staff, arts/activities/education staff, and a family reunification coach.

I AM Launch House: Opened in November 2020, this is a 6-month housing program focused on empowering homeless men. We will house Transitional Aged Youth (TAY) men as well as their partner and/or children. Programming is focused on developing mental, emotional, financial, and educational wellness. At the end of the program, the goal is for each participant to have savings, restored credit, industry certifications and/or job placement, and a wellness discipline that helps them manage interpersonal challenges.

Workforce Development- IT Biz, Community Store, Career Closet

IT Biz: Provides members of the under-served and under-represented community including human trafficking survivors, foster care, juvenile justice system involved and/or transitional aged youth, teenage parents, etc. an opportunity to compete for professional careers in sustainable industries. IT Biz is a certified Cisco Networking Academy and a California certified Cybersecurity Pre- Apprenticeship Program. It introduces low income and underserved individuals to technology by providing Cisco (Get Connected,

Entrepreneurship and Cybersecurity) and CompTIA A+ certification training, business attire, resume writing, interviewing techniques, public speaking, mock interviews and financial literacy classes. Our classes are taught by survivors of human trafficking and domestic violence. This is of particular importance as we strive to be preventative and culturally responsive to under-served and under resourced populations. Our students are inspired by knowing that their teachers have overcome similar obstacles and are now flourishing in the community.

Community Store & Career Closet: Many survivors and at-risk youth have been provided employment and skill development through the Love Never Fails Community Store. A Career Closet is onsite to provide access to interview and professional attire.

Prevention Education- PROTECT & Community Education

LNF helped launch an abuse and human trafficking prevention education program called PROTECT in collaboration with 3Strands Global, Frederick Douglass Family Initiatives, the CA Department of Education, and the CA Attorney General’s Office. Since its inception in 2015, PROTECT has been implemented in over 41 California Counties and has grown to other states, including Utah and Texas, reaching over 500,000+ children and adults. In addition, LNF also provides community education regarding human trafficking and trauma.

WHO WE SERVE

In 2020 we served a total of 1,425 individuals through our various programs.

	Housing	IT Biz	Outreach/ Hope & A Future	Education & LNF Radio	Community Store
TOTAL # SERVED	25	200	400	600	200
RACE/ETHNICITY
